The Director of Central Intelligence

Washington, D.C. 20505

29 August 1978

STAT

Dear

Many, many thanks for following through on my
request for some suggested names of economists.
The five you mentioned all sound excellent to me
and are just the type I think would be well suited
to this role. I'll start beating the bushes to see
which, if any, could be attracted to the job.

Again thanks to you and best wishes to Betty.

Yours,

STANSFIELD TURNER
